Reference: June Quarterly Report (4/1/9-6/30/09)

To Whom It May Concern:

Our committee is in receipt of the Commission's letter regarding the above referenced report. Please see below for our complete response. If you need any further information, please do not hesitate to contact us.

We do have in place a system that meets the best efforts standard established by the Commission. All of our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days. This follow up does not request any additional monies and contains a self addressed envelope and again informs the person of the federal requirement for requesting this information. For those donors that do not respond to our employer and occupation request before a report is filed, we insert "information requested" in the interium until the information is obtained at which poing an amended report is filed to show these updates.

Thank you for the opportunity to respond.
